Description

Year End supported versions for year-end 2019

Year-end releases for Sage 100 Contractor and Sage 300 Construction and Real Estate will be released in December for the following versions:

- Sage 100 Contractor version **22**
- Sage 300 Construction and Real Estate version **18**

Note: Sage Residential Management is not compatible with Sage 300 Construction and Real Estate version 15.1 or higher. If the main use is Payroll or Accounts Payable and you use Residential Management, we encourage you to contact your business partner about your options.

Filing deadline changes for year-end 2019 (U.S. Only)

Be aware the time is less to send and file the current year forms. In addition to sending W-2 forms and 1099 forms to employees and recipients in January, these forms must also be filed with the government by January 31, 2020. Deadlines for filing the Affordable Care Act (ACA) forms have been reinstated for the current year forms.

The deadlines for the current year forms:

January 31, 2020

- W-2 forms to employees
- W-2 information to the federal government (Social Security Administration)
- 1099 forms to recipients
- 1099 information to the federal government
- ACA forms (1095-B or 1095-C) to employees

February 28, 2020

- If filing by mail, ACA forms (1094-B and 1095-B—or 1094-C and 1095-C) to the federal government (Internal Revenue Service)

March 31, 2020

- If filing electronically, ACA forms (1094-B and 1095-B—or 1094-C and 1095-C) to the federal government (Internal Revenue Service)

You can search for "Affordable Care Act" in the help system of your product for additional information about the ACA forms.
